Quotes from Nominators:

**Gina Robison-Billups, Founder & CEO National Association for Moms in Business
mibn.org**

The National Association of Moms in Business provides working mothers benefits such as e-newsletter, health insurance, medical savings accounts, tax assistance, educational seminars and much more. "Gina is dedicated to supporting and actively promoting working mothers and helping them to find a balance between work, family, and their personal lives." **CeCe Kiefer**

**Larry Tyler, CEO of TAMS (Total Advertising Marketing Solutions & Corporate and
Community Liaison, Forman Automotive, Inc. tamslv.com**

"Larry believes to his core in supporting and encouraging the mentoring and nurturing of youth, emphasizing working with children 14 and under, to direct them to right beliefs, right values, and right behavior." **Jon Bastion**

"Larry works tirelessly with inner motivation, strength and a passion for helping those less fortunate. His spiritual energy is shared openly with others." Marge Becker

Laurie Travis, Owner of LTevention ltevention.com

"Laurie is a continuous example of excellence and commitment. She donates labor, furnishings, linen, flowers, and so much more to non-profit events that empower our community in human rights, education and other key areas." **Tony Gladney**

Priscilla Schwartz-Hodes, Nathan Adelson Hospice Volunteer

“Priscilla exemplifies cultural sensitivity. She spends many hours in patient support to a wide variety of faiths and backgrounds. She is dedicated, compassionate and attentive to patients & their families regarding grief, loss and catastrophic illness.” **Karen Rubel**

Rosalind Jamerson, Founder of MEMRA: Medtyme Emergency Medical Relief Association Medtyme.org

“She is really an incredible individual that has given back to the community without a second thought or recognition. She has kept quiet for too long and the community needs to thank her for her selflessness!” **Bessy Lee**

Dr. Porter Troutman, University of Nevada, Las Vegas, Professor, Department of Curriculum and Instruction

“Dr. Porter Troutman is a dedicated leader in teacher education at UNLV, a Fulbright Scholar whose impact on multicultural education has and continues to bring Intercultural Studies across city, state, national, and international borders with humble dignity. He is a true ambassador and tireless advocate for our educators of the future.” **Kathy DuCasse.**
